Editor’s note regarding Lundberg et al. Letter to the Editor

Jerome A. Dempsey

John Rankin Laboratory of Pulmonary Medicine, University of Wisconsin-Madison, Madison, Wisconsin

Dr. Lundberg and colleagues (3) submitted a Letter to the Editor commenting on the general problem of nitrate supplementation. This Letter to the Editor was not directed at any specific publication on this topic. We asked these sets of authors (1, 2) who recently published in the *Journal of Applied Physiology* on this topic to comment.
